Playground Safety Specialists

# Inspection App

## Simplify Playground Safety Management with PlayInspect

With **PlayInspect**, playground safety has never been easier to manage. Empower your team to conduct playground inspections, manage risks, and action tasks anytime, anywhere using your phone, tablet, or computer.

With flexible subscription options and unlimited user access, PlayInspect makes playground management easy — no matter the size of your team.

## PlayInspect

powered by:

# Inspections Made Simple

## **Inspect. Report. Act — Right from Your Pocket.**

Welcome to PlayInspect, the all-in-one digital platform for playground inspections, asset management, and safety compliance.

Purpose-built for councils, schools, early childhood centres, and facility teams, PlayInspect empowers you to stay in control of playground safety — simply, efficiently, and with total confidence.

## **Why PlayInspect?**

PlayInspect streamlines every step of playground management. From fast, intuitive inspections to effortless reporting and real-time compliance tracking, it's the smart choice for Facilities Teams, Inspectors, and Playground Managers who need a reliable, easy-to-use solution.

Playground Safety Specialists

# Tailored to Your Needs

We understand that every team operates differently. That's why we offer fully customisable Routine and Operational Play Inspection templates tailored specifically for your team's needs. We will work closely with you during the setup process, ensuring the templates reflect your required workflows. Plus, we provide ongoing customisation, training and support, making sure your team is confident and up-to-date with all the app's features.

## Seamless Integration with Your Team

With unlimited users and data storage, PlayInspect ensures that your entire operational team can easily collaborate on inspections, reports, and safety management.

The web-based interface means that whether someone is on-site or in the office, they have access to the most up-to-date information. And with cloud-based storage, you never have to worry about losing important data—it's all securely stored and easily accessible from any device.

# Key Features

**playsafe**  
Playground Safety Specialists

## ✓ All-in-One Playground Inspection App

Conduct Routine and Operational inspections, capture findings, and generate detailed reports – anytime, anywhere.

## ✓ Customisable Level 2 Reports

Easily create professional inspection reports with templates tailored to your organisation's needs.

## ✓ Effortless Operational Workflow

Automate task creation with priority triggers, and manage issues with built-in escalation rules and real-time notifications to keep your team informed and accountable.

## ✓ Clever Compliance Calculators

Access Playsafe's full suite of NZS5828 calculators directly within PlayInspect to quickly assess falling space, impact areas, and swing compliance requirements.

## ✓ Live, Customisable Dashboard

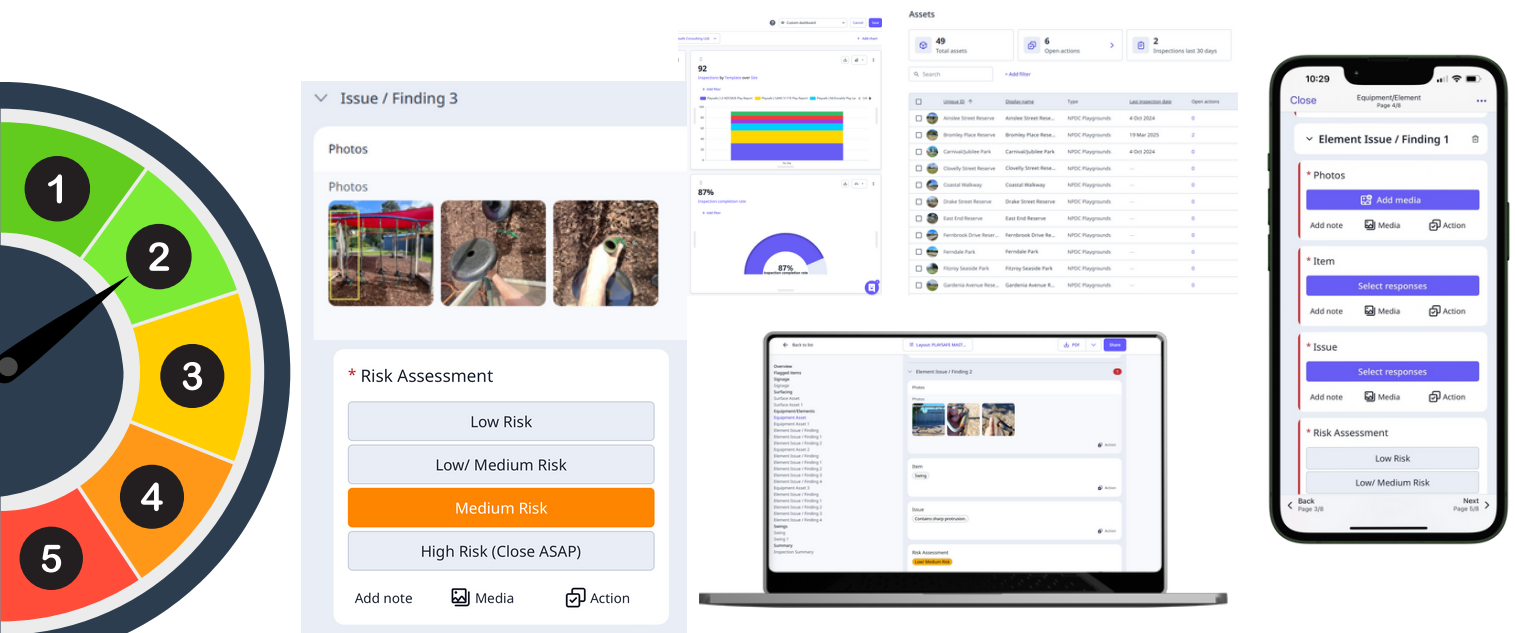

Monitor inspections, risks, and compliance status in real time. Configure the dashboard to highlight the metrics that matter most to you.

## ✓ User-Friendly Interface

Designed for ease of use on any device. Capture photos, annotate findings, and manage reports effortlessly – whether on-site or from your desk.

## Tech Specs

# About Playsafe

Discover the GOLD Standard in the Play Industry!

Playsafe is committed to creating safe and enjoyable play environments for children. As experts in NZS5828 and EN1176 safety inspections, impact surface testing, and design evaluation reviews, we are the trusted choice for councils, schools, and early childhood centres across multiple countries.

Our services extend internationally, maintaining the highest safety standards wherever we operate. With international offices around the world, our certified inspectors cover New Zealand, Australia, Asia, and Africa, delivering top-tier playground safety solutions.

Our reputation is built on excellence, impartiality and independence. Each of our experienced inspectors undergoes rigorous training and certification, ensuring the highest level of expertise and reliability.

With over 30 years of experience in the commercial park and recreation industry, our team has an in-depth understanding of playground design, construction, compliance, and maintenance.

Choose Playsafe as your trusted playground safety partner—backed by experience, credibility, and a passion for safe and fun play spaces!

**PlayInspect Onboarding Contract**  
 (Supplied by Playsafe Ltd)
**Agreement Between:**
 Client Name: \_\_\_\_\_  
 Address: \_\_\_\_\_
